DR. WONG HIM—Dear Sir: For several years, while suffering agonies of pain, I tried in vain, to find relief from physicians of various schools of medicine, when, as a last resource, my life being in greatest and imminent danger from a mortal disease, I applied to you. You cured me with your Chinese Herb Treatment and saved my life, for which cure I tender you my most sincere thanks, and remain, most gratefully yours,

THE "WATSONITE" FLOOR

Drop a postal, or phone for sample and booklet. "Watsonite" is different from any other flooring. Where other floorings begin to give way—at that point "Watsonite" just begins to show what its enduring powers are. For stables, breweries, balconies, sidewalks, lavatories, etc.—the ideal flooring for all purposes. Makes any basement as dry, warm and comfortable as any story above ground. One solid flooring—no joints, no seams, no cement.

INVESTIGATE THE
NELSON CRUDE OIL BURNING SYSTEM

Nelson Burner lifts its own oil automatically without pumps or auxiliaries.

Therefore the Nelson System has no pressure on oil lines, thus reducing the accident and fire risk to the minimum.

Openings through system and burner are large, cannot clog, and will work indefinitely without cleaning.
